Instalment payment plans available for machine and kit purchases only and are subject to credit checks. The figures in the table show the cost of the machine and kit including VAT. Also shown is the total amount payable, this includes VAT and a fixed charge for the credit, the charge is not variable and will not change over the repayment term. The first instalment becomes payable one month after the 4 initial days of training and then every month thereafter. If you wish to purchase equipment without Finishing Touches training, an initial payment of £1000.00 inc VAT is required, followed by monthly payments for the balance. All credit is subject to a successful credit check.
